**50th Anniversary Celebration: A Huge Success!**

The celebration at the Kemp Auto Museum was the ideal setting for a 1950's themed event complete with 50's attire and music. Event co-chairs Boo & Chuck Cook and Hope & Julian Edison worked hard to ensure a fun-filled evening to honor the Institute founders and 50 years of service to the St. Louis community. More than \$33,000.00 raised from the party will help support our training programs at the Institute.

**Institute to launch a Supervision Fellowship Program**

This summer the Schiele Clinic will begin offering a Supervision Fellowship designed to support the needs of newly graduated unlicensed social workers and counselors working towards licensure. The Fellowship includes weekly case conferences (Fridays at noon) and individual supervision. Participants will be expected to have their own patient population, in a practice setting that is consistent with the values of the Institute. Interested individuals should contact Cathy Krane at [csk@stlpi.org](mailto:csk@stlpi.org) or by calling 314-361-7075 ext. 323.

**Thank you Advanced Psychodynamic Psychotherapy Program (APP) Alumni Association**

Last week APP Alumni President Brenda Flynn announced the Alumni Association's decision to offer a scholarship to a member of the Advanced Psychodynamic Psychotherapy class of 2010. The Alumni Association conducts an annual fall lecture of wide appeal and they have graciously offered to use a portion of their proceeds to support a student entering the APP program in the fall.
